

1845 Feb 28 this week we moon has
to get Shingles to cover old house & let
Began to strip tobacco in Big Barn on
Ave this day - 28th Haled Logs out of
no houses also ground this day -
28th Feby Beautiful weather almost
like May - J. C. Hunt married
yesterday 25th Feby 1845 -
Shingling our old house this day
Draugy log traps - etc.
Plowing on mean large field by on
mopps left on ~~Reported~~ 27th Feby on
Market Children started to school the day
- Fine day at Story Point & plowing
Planted bush potatoes English peas &
Onions - etc began to prep for
went to River to mulch -
8 Rainy we are striping tobacco
weather changed so good deal cooler
In Jan'y 1845 made a bargain w^r Jas
Murphy to plaster my House & white
wash it to be finished off as I want
it for \$45. but if I think myself the
work is worth \$47.50 I am to give him
that sum the two bills & fifty cents is at
my discretion which sum of \$45 I am
to pay said Murphy March or April
1846 - this is our contract & filed at tract
March 1st Haled stalks & wood out of new ground
- 12 Haled fish & getting out oats to save
money -
11 Working & striping tobacco -
12 Sleeling most of the week
13 Went to see Capt. Lehman & he said
about 9th or 10th of October in morning
14 he was buried they day our house
at work on road mulpas killed a buck
Bore on the 12th but just at night -

1845. March 14th Malpa sick child born
after midnight this morning -

15. Bed fairs sent for help to Roll Logs
could not help him. Henry sawing & do
I am going to making Hidrick Cider
gutter for Malpa. Hidrick to draw the
water off - Phil gone to Mill,

just commanding sawing oats this morning
the have been preparing the ground for today
March 18th Sowed 15 Bushels Oats to this night

Ted. gone to day to Roll Logs to make
set up his morning for Seemed to
Plant. Planted ground seed

Said no moon #15 or all the other
days. I dont know that I shall ever
pay him without being compelled because
he did not finish ^{itself} at any time
what he did do was not done workman like

March 19. Wednesday. Very cold & windy

ground hard frozen. I am afraid John's
plants killed. By wife & F. W. gone to ^{Eliza} today

- 20 Really a winter morning. ground hard
frozen. Cut Snowy Throwing Heather.

Ran down old saddle horses this morning
at 12 o'clock. This day the water freezes on the hills
tremendous cold for March 1845) 1845

26. Weather a little moderated Sowed flower
seed nearly done sawing oats

Painted & of. outside sent by Henry
to Manchester July 16 to 1843

1. 1 Bag. white wool bag lace 24.
1 Do. Black & white Do. Do. 13.

Yarn combatum for Rolly 5th 35.

1845. March 21st Sowed Plant Bed & Ovw on
the Branch this day - Weather has been
very cold for more than a week - 1845
Our new ground nearly half cutted
by weather moderate finished Sowing Oats
- 28 Went to saw mill paid off Mr
Miller in full to the 30th in my
Debt -
30 Weather moderate striped tobacco
I hope to finish this day & preparing
lumber.
yesterday Our new ground fence got
burnt 200 pannels fire got out
from Our new ground Saturday
1st monstrous fire in the woods took all
good Hope gathered a good many hand
shovels etc done no mischit -
30. Fire at Our ground. Burnt
40 pannels fence entirely for me,
April 3rd Finished Containing new
ground this day - flowing for corn
Planted snap beans in garden
2nd April, 4th planted snap beans Calumet
Isleنبورج in garden etc etc
weather dry & warm. at the time
8 April commenced breaking new ground
tobacco field for corn ground
cool every day till April 1845. Snowed
this morning 9th April 1845. Snowed
over night, sun shone
11 Working breaking tobacco -
12 Sleeling most of the week
13 Went to see Captain Chapman & he said
about 9 or 10 o'clock in morning
14 he was burned this day our hand
at work on road mafias Chedabuck
Burn on the 12th but just at night -

- 1845 April 9th Remarkable dry & very
 cool. --- Henry Clay has the Dickenson very
 bad & MOSES KINGS CUT his mts
 throat so very near killed by
 On the 9th A.M. every thing killed almost
 But I see the fruit killed.
 11th Commencing Planting Corn in
 mountain field.
 Weather rather warmer but very dry
 & Windy no appearance of Rain
 12 Still dry & little cool, planting
 Corn, Malpas House very smoky
 Weather - Planted some Estates
 14th Planting Corn at Stony Point
 Looks a little like Rain, weather
 a little cool, went down smoky on the
 15th Still Planting Corn at Stony Point
 it looks something like rain
 16th No rain fair off day & hot.
 Planted Corn & traps back of Garden
 this day. Had Hilling rails to make
 Tobacco lot by Henry House, I
 marked my Calves & turned all out
 this morning. The very smoky
 16th Planted all our Corn except what
 the ground is too hard to break up
 17 Hilling & Collar new ground

Monday 1st April 1845
 Paid to Mr. HENRY CLAY
 to mark his land 16th to 1843

1/ Do.	Yarn counterum for Rolls 5 ^{lb}	35

- 1845 April 18th Cloudy & Drizzling Rain now
yet to do any good. It has however
little cool this morning
but by the time I am up to 60° F. It will
be mean flower of almond the orange
g. Cash left in trade -
19th began to rain about night drained moderate
day or 2 hours, planted out some cabbage
plants. - ground yet hard in places.
Sent Mrs. Mrs. Dues it morning 1/6 -
21 Cloudy but no more Rain yet.
Shuttle Peas this morning.
Breaking Balances of some Corn Land
22 Ploughed Planting Corn at Stony
began to drizzle, tobacco again to
allowing off & tilling new ground -
23 Drizzling tobacco shot. Cultivating with
Horse & tilling new ground
24 last evening had a shower of rain
drizzling tobacco, & about finishing tilling
up new ground.
Planted Watermelon seed in sweet potato
Patch, & also set out Tomatoe & Cabbage
Plant this day. Manured Plant Bed
Cultivating up cow pea for corn, -
dry & hot little wind
28 Ploughed Planting in Cow past. Lot. \$6
- Tilling up little new ground on Branch
above granary & planted pumpkin seed by
evening, in
11 Working tilling tobacco -
12 Slewing most of the week
13 Went to see Capt. Cobman & he died
about 9 or 10 o'clock in morning
14 he was buried the day our hand
at work on road mafias child & son
born on the 12th just at night -

1845 April 20th praying good Tobias. —
Cloudy & like for rain, but dry & hot.
Had no rain to do much good for middle
March or Hilling or Branches —
May be this morning look a little like rain.

Planted One Acre Grains this morning
Small Shower of Rain at night
21 Planted Out our Garden in Grains,
Hove up Cotton Bales
Rain almost gone dry & cool. This day
after shower last night;
Finished Hilling little new ground out

- 1845
May 8th Cleared of very cool & windy.
Began to plant corn at House & Mountain field.
Hilling Second year ground -
9th Replanting Corn at Story Point, finished
Plowing mountain field first time to day.
Morning & nights very cool -
9 Hilling replanting corn - Planted down
in new ground every Saturday in May
10 Began to dice again - Planted out
Tomatoe bushes, finished plowing tobacco
area Corn like next to clean
13. Planted little new ground. To bales
Cloudy & rainy this day
15 Rainy day we planted nearly
all our new, turned off the
Coke plowing corn at Story pt.
16 Very cool & still second
17. Plowing at Story Point
Finished hillling second year
ground. Thinning corn fields at
19. began to mud corn. & plowing
over corn second time. bushes now
condemned to be burned -
Worked out garden plot & planted
& harrowed cotton, returned from Lumbry to
see tobacco. Tuesday 20 May 1845
- 11 Working thinning tobacco -
12 Sleeling most frosty, winds
13 Went to see Capt. Chapman & he said
about 9 or 10 o'clock in morning
he was burned the day before
at work on road melipas, chile & turk
burn on the 12 not just at night -

Got yr. Tr & Plow - for our Tobans
On 23rd at night it rained & on 24th
we commenced planting our new ground
Second year, - began on the day
to plant Corn at Stony point. This I
at first replanted Cotton the 24th,
Buried the Cots & planted 23rd.
25th Returned by Malibu 5 $\frac{3}{4}$ M.

Sugar to Mrs. E. Lewis this day
Lap Si K. We are ready
30th May 1845 Engaged on th. Capt. John
Cayton to paint our House
inside & out one new. A ty w
for the sum of \$1000 per dollas
giving him 10% for his
exp. 1846. A most frost last night
How the gunces & gun grand
things are killed weather ver
is indeed tolerable.

1st Weather moderated quite by frost
killed many things & in some
cases fallen to the ground - good living
seeds, the best small & circular
only at S. L. & Toban plants
now flowers got 15 or 20000 plants to

1st Mr. W. D. East by H. H. H.
to an auction July 16 to 1843
1st Aug. White wool bag sale 22.
1st Do. Black & white Do. Do. 13.

- 1745 2nd of 18 - Weather at first
Cloudy & drizzling. On Friday 31st May the
greatest part we have had many nights
was bright & cool & so the slaves did
not work & the ground, weather very cool
but now the work nearly done we
had to get up cotton to day. So
to this work -
- 1746 Mrs Rebekah b'twth P.M. sugar
Bags full -
Began to lay by Corn stubs & had
finished weeding all the ground
to our fields as the old man
had Indian Delays & we help
all the old & p. Dots bushes.
9 A.M. three dry dots, have all
our lot land to plant onto Island
y.t. +
- 1747 Quite dry & hot went to Mrs J. H. Odell
attempted to whip Epp who ran from
me onto the Rushing Laying by Corn
with flowers by Malpas Stones -
" Epp can home next morning
1748 quite dry & hot cut our fresh
ground white wheat the 12th Mrs. H. Odell
began on the 15th & ended on 18th in
laying by our Delays on Hill
stalled up little new ground on 19th &
morning on the 20th -
- 1749 Working successive labours -
1750 Sleeling most Apoth. wrecks
1751 Went to see Capt. Chapman & he said
about 9 or 10 o'clock in morning
1752 he was buried the day our hand
at work on road Malpas Kielda & Sub
born on the 12th but just at night -

1845 Jan 18 Mr Johnson Cut Barley
Hulled up One bushel Dale Dole

1845 Jan 17 Tuesday Mr Johnson came
here last evening & began to work
for me this today - at 11 A.M. & hulled
over crop - Jan 19 At shown of rain

1845 Jan 19 Planting Tobacco, except to
get one bushel tomorrow & planted
weather warm, - Hulling up Corn by
which was broken back of board

20th Finished planting & hulling
Tobacco the day I began again
at ten o'clock to cut wheat

21st An elegant Rain & on 22nd
Mr Johnson over again,

Cleaned off Wheat round

24. Plowing & hulling up Wheat

15 Hulling up Cotton H. C. H.

Mr Johnson is about to finish
covering Gapay this day so pulled
up apart of one year besides

hard rain & Wind on yesterday.

Sowed Back Wheat this day -

Rulled up flax -

Paid for 1/2 bushel Butcher's
to Mr Johnson July 16 to 1843

1 bag white wool bag lace

1845

June 28th Mr Johnson is this day finishing off the last of streets & houses which Moon is by half done. Mr Johnson says he thought they knew how to take off a house better than they did more he took off 4 courses of shingles & was putting on 4 to stop the leak which is owing to bad shingling the Valley boards between old houses - passage which Moon & Dr. put up & the weather boarding on passage is taken off & done soon by Mr Johnson, who says they were no Valley boards at all merely a little thin set of plank under the shingles with a little groove at which is not worth an cent - Chopping down trees this day on mountain saved. Turnips in garden about 26th or 27th frost

July 3rd Hauling up wheat from being laying by corn with flows. This day July 3rd worked out tobacco on Ranch house, began to top tobacco Mr Murphy has Mat Spence & 2 winter horses to Master house or getting ready 3rd morning began to cut oats July 3rd cutting oats, the cloudy broke for an hour 11 Working & sowing tobacco - 12 Sleeling most of the week 13 Went to see Capt. Chapman & he died about 9th or 10th O'clock in morning 14 he was buried the day our hand at work on road mafias killed a bull born on the 12th just at night -

1845 July 4. Cutting Oats - Plastering & Stucco

Man, but, Mr. Hanson Master over to
old House in preparation up stairs.

= Plasterers finishing getting lathes the day
12th Plasterers finished off Dining room
have got one coat all over there.
Finished this day chopping over Corn &
Harvested over manure and feed horses
Harvesting at long front -

Weather tremendous day left there
had no Rain for 3 weeks & Corn looks
badly very thin & dead looking & just it
looks like it will dry out.

13th Plasterers finished plastering our
House last Saturday ^{see Fig 1845}
then the rain nearly two days ago
about two Churns, Weather very
dry & hot & wind equal to 148
there will be not be any hay
made this year.

2nd Steel 20 lb. - weather somewhat
cool clear & last night
& little Mist Rain but worse to do any
good, & the whole Country dry almost
every where, never has been such a time
known by the oldest settling at the Baptist
Churches there has been good day for

rain or of middle part ^{as per 19c} sent by Henry
to Anthoni ^{July 16 to 1843}

The Lord to Blest with Spiritual &
Temporal Bleatings yesterday it was at
Stout Stone meeting House - Heddle &
28th Still Very dry & cool Streams are
drying up Camp branch along the road
by Paris Smithson of almost dusty a little
water about in a whole year -
July Dr. Tracy Died last July 1845
This Year Year is another hot one
than 1838 because the Drought is so
much more extensive, & no rain hardly
reached & the most remarkable has
ever known to now July 1st the ground
has not been "wet" but once, or
has not been "wet" but once,

March last - 1845 1845

20 Some showers around us but none here
wind has been from N W more or less
for a week or 10 days & very dry
corn all regularly & dying, serious time
treating old wheat & barley on hand
never from so bad a prospect for corn
it has now sold for four Dollars per bushel
People very sickly about Louisville &
in Charlotte, Colley Bradley Died last July
Aug. 1st Round & Hasted about 4 o'clock
in the evening a little shower, about
12 o'clock last night or rather this
morning about 2 o'clock the hardest rain
I ever heard fall but one in 1836.

11 Working & successing chores -
12 Sleeling most sickly, weak
13 Went to see Capt. Chapman & he died
about 9th or 10 o'clock in morning
14 he was buried the day our hand
at work on road mafias killed & buried
born on the 12th but just at night -

1845 August 2nd Another shower Rain
We are putting up fence where the W^{ds}
Blow down last night, Stepping stones
& trying to saw Turnip Hatch ^{down} this
evening - put up steps at Chautaukaua
the Branch Camp branch so called as
high as I ever saw it in my life

3rd good Showery Rain about two inches
in evening having ground & cutting
on Branch, started by Manning to
turnip Hatch & Rake for Dog Past

4th Yesterday Rained moderately & W^{ds} Rep-
lanted the lot at Lila's House & the
groundy lot began to heel & lots
& new ground dry fed sheep &
as my cutting on branch also breaking
plan the grass to shop

5th Raking up new ground Hobbs
Gloving Greens in Garden

18th the weather has generally been favorable
since the 1st August. Working out Garden
this morning. Went to Lyndenburg 13th & 14th
to get plants to Lila House,

20th Rains every night & day & Son comes back
Mother git out Mrs. Hix's what Mother
wishes & I take to Mrs. Hix's garden to Sun the 18th
calm & of middle heat by Henry
to Onondaga July 16 to 1843

1845 August 20th Rained Knew at new
ground this day 21st Henry This day gone to
Dark Whites Mill with Wheat corn &
a Stock his to bring my Gallops from
F.D. Sixth Great day & day before
Dinnering sleeping to bed. the day
25th Left King George Bates & family
Hill up lot at Hengs House
My wife son George & George Aspin
Started from home on Friday
Evening to go to Charlotte City
On a. draft to Mr Overby of
Moseley with Mrs Hunter - James
White 2nd Sun. June Rain yesterday &
Monday clear sun day for travelling
Tuesday 26th clear sun morning Southern
& Phil cutting Henry & I got gone to Wall
to Mrs Hodges
27th cutting on branch & ground
Mr Lewis Spafford 14. Sheds & cut six
& turned out 2 young sons of Boar
Mrs George Spafford cloth in the Room.
My mfc debt not start to Charlotte
till Tuesday morning & Pleasant came
her same day about 12. & stayed till
next evening making ladder & etc.
28th grubbing & cutting stones getting
slab for Mr. McHunts & Mrs
Hunts, my fine stone house gone over since
last Friday to charlott, how long
29th working morning & evening to bed
to day started a little to cold south about
evening
11 working & evening to bed
12 sleeping most of the week
13 went to see Capt. Cahan & he said
about 9th or 10th October in morning
14 he was buried they day our hand
at work on road miles as child & girl
born on the 12th not just at night -

1845. Pipe ice covered in tobacco house
it began to rain. Judd had not
Home Mr Taylor & Rachel C.
at night to Convene a meeting
Home

20. Pipe - Sat for Pipe with just
valued from childhood
Mr Taylor & Rachel having outside
House & Sunday Judd
12th. Finished building fence at stone field
Painted the Roof of our House this day
15. Calling Tobacco,
16. Cut up tobacco & prepared
Calling Judd
Finished painting outside of house
17. Painted this evening.
18. Painted left the morning
Following Tobacco & calling
He this day
20 & 21 went to N.Y. & failed to go to
Meeting at St. Paul's George
22. Getting up new Patch Hall
Rails & wood. Will gone to New York
Spinning Balance & calling Tobacco
20 went to Mrs. Hunt's for some flour
wheel she gave me one, from B.C. full
mould of middle part of history
to an archie. July 16 to 1843

Tobacco in second year ground down do
25. cutting Tobaccos & finished over one
26. Housing Tobaccos this morning
& then got started for tops
27. Started for Tops this day - up yesterday.
light crop of Tops this year
28. Housed & started Tops
30. breaking out what Robert is now
of successing Tobaccos.

1845 and what
Oct 1st Herded Tobaccos set on Branch
by the Bridge to cutting down Corn

2nd cutting down Corn in meadow field
Henry. Stalling Tops to Muller Mill
3 cart broke down & axle tree made
by abbot at Muller House this year
also getting out flax and spreading
of old planted Liking Tobaccos tops
Wrote to Jas. D. Moore this day 1845
Cutting Tobaccos & left Housing

New gate tree made by Mr. Bay
& Old ones put on & turned
Sent 39th side Colow to Muller Mill

7 Stalling up & housing Tobaccos
8 Put up Tops Liking Corn
& cutting through to fed Tops
getting up 2 lots Corn at stone
fire Rain last night
Wet weather to start housing
morning,

11 Working successing Tobaccos -
12 Sleeling most of the week
13 Went to see Capt. Cohen & he died
about 9 or 10 o'clock in morning
14 he was buried the day our hand
at work on road mending bridge
Born on the 12th just at night -

10^t Oct 1845 Raining day Bro Webb here
On his way to Association at Grange
11. Stee Raining & Rained all night
last night. Learned Out what yesterday.

Association - Commences at Greenfield early
17 Killed a Buff young. Red Star
Weighed 240^{lb}. in all

began to Sow wheat at Mountain
field this day, ~~to~~ got Sweet & bush
Potatoes this day Large frost -
23 Sowed Wheat by Malappa, House
24 Sowing wheat in second year Tobac
ground Moon Eased me to Novr
Court 1845, & I defend the suit, -
weather a little more moderate

Novr 8th Finished Yesterday getting
up our Corn make between 40. & 50 bushels
Commanded at Stony Court to Sow
Wheat. Had not many done making
mowing grass
Brook Waxy & Lassipay to Glory
11 Finished Sowing wheat at Stony
Court

Novr 14th 1845 This morning very early &
Started to Middletown to see Mr Richard
Wain who was present when James & Moir

Entered at the Middle Court by Friday
to Middletown July 16 to 1843

and myself contracted for the carpenters
work of our house he was not at
home but I found him at a sale at Mr
Cotis, he recollects some of the conversation
but did not recollect the positive contract
but said he would reflect upon it & let
me hear from him in a few days -
I then came up to Republican to see
Mr. Spencer Steele who Mr Moon tried
to get to take the job off his hands
after so anxious to get it Mr Steele
said very clear that Moon told him
it was to give him Moon One Hundred
& Twenty four Dollars for doing my work
travelled about 45 miles on his business
Demarest. Sam also heard Moon say
it was to give him \$125. for doing my
carpenters work -

Nov. 21. cutting down branches Halling
wood shrubbing Corn land breaking
fence - John J. Lair making bats
this day to be put up at Spring -
begin this day to plow for corn -
27 Raised House beyond the fence
the fence about House & lot
making cow shelter, put up
Cherry to fallow - allay on brick
Court & yard patch Novr 1845
~~downy & good weather~~

- 11 Working surveying woods -
- 12 Sleeling most spotty wrecks

- 14th Sunday Raining & a Slush this morning. pretty bitter weather cold & raw. Winter won't come, 22 Dec 1895
15. Rainy this morning & can't do any thing. Out stripping tobacco. Very about 9 o'clock it commenced snowing & at 2 in the evening continues to snake snow up shore drift. There has not been a pleasant day since West came in 3st. Snow 7 or 8 inches drift -
- 16th Fair & cold snow melted but little
- 17th Cloudy still for rain cutting & hauling fire wood. This day
- 18th Raining & we are stripping tobacco snow melted but little yet. about 4 done grubbing snow ground.
19. Cold & windy, real winter weather. cutting fire wood in new ground
20. This day given Bond to Wm Davis Adm of Matz Store Bush No 5 Lewis 5ct. for \$31.50. for six Bbls Corn - I am also 5ct. for W. J. S. and for \$73.50. to same for 14 Bbls corn lot by him at said sale.
- This day Saturday started 5. Morning is a tremendous cold day & at night the wind blows & is as cold as I most ever saw. & there has not been as yet a pleasant day in the month - Went to routing opd \$5. to J. J. Mc. now working on out mother Preacher with the recommends him
- 11 Working & succoring tobacco -
- 12 Sleeling most every week
- 13 Went to see Capt. Chapman & he died about 9 or 10 o'clock in morning
- 14 he was buried this day our hand at work on road mafias kiled & his son on the 12 not just at night -

1845

- Dec. 21st Sunday a bitter cold cold night &
Morning Snow yet covers the ground -
Earth like a Rock so hard frozen
- 22. Yet cold & snow melted very late
cutting in new ground & haying also
Burning Brush
- * 23. Fair & tolerable pleasant.

Cutting in new ground & haying wood

- 24th This Morning Snowing gone to
Mill Shoemaking & Shelling Corn
and Weather has been in
since Dec 1st 1845 Rough &
every thing snowed very little now
that first feet & corns now & today
Snowed nearly all day, not very fast
Hailed some, weather not very cold
this night, nearly done cutting down
on brush & hay cut 2000. rods made 800
rods long in new ground of hill growth,

25. Cloudy all day weather a little more
midnight my wife gone to Mrs. Hause
Hadding wood for Christmas, this day

- 26 Very cold & freezing this morning

27. we began to clear day to my wife gone this

- 28 it was cloudy tolerably cold snow
melted very little, but a mind I work

around & of outside but by Henry
to an acre in July 16 to 1843

1845 Decr. 28th This Month truly has been
Winter throughout cold & snowy weather
People scarcey so far as good health
Dec 29 little cloudy weather not very
cold tho' the snow melts but little -
Mrs Hunt Allen came in this morning
to work for Ted. making shoes, has to
work 8 days -

30 little cloudy weather moderate
Snow Melts but slow knee cheery
this day or yesterday cutting wood in new
ground & Hauling wood -

31 soon in the morning clear & moder-
ately after the morning cloudy & like
for falling Weather, cutting in new
ground & Hauling wood
Hauling up on Great yesterday -

1846 Jan 1st A little cloudy soon in the morning
Ride fair for a pretty day after snowing
cutting little growth in new ground
Hauled back straw to field & stack

\$4 rods of wood for Andrew Crand
began this day about 11 o'clock to cut big
growth but not so done cutting little growth

2nd Rained last night snow melted
Smartly weather moderate Bed Fair
for another pretty day began to rain
about on hour to sun last evening
very windy & somewhat cloudy
got out very pretty morning weather moderate

11 Working & successing labours -
12 Sleeling most of the week
13 Went to see Capt. Chapman & he said
about 9th or 10 o'clock in morning

14 he was buried they day our house
at work on road mafias hewed a hole
bore on the 12th but just at night -

1844 - Sept 3rd Calling Bag growth in snow &
trying this day to find grubbing Phil gone
to Mill, covered one last Cotton field & got
Bushel Bushel Wheat & 2 bushels for cows.

4th Early Sunday a beautiful morning
Weather moderate snow that fell &
recent nearly gone some ice on roads.
Day has been moderate as yet.

5th Another beautiful Morning weather
moderate

Began to cut wood wood to Bear Flat
Bed on Mountain, finished grubbing out

6th This morning dining moderately the
Weather moderate, we are striping tobacco
Rained hard mostly all day turned cold
& a dreadful night —

7. Weather more moderate cloudy tho'
not raining striping tobacco at
new ground hillside, Phil gone to mill
Frederick shopping around is very
Wet about this time, snow nearly gone
8 in the morning cloudy & snowed a
little turned off ready & cold.

9th a fine morning we calling
in new ground & hilling wood.
Pleasant in a warm gate, & dry.

10th Saturday fin ~~morning~~ ^{collengren} ~~noon~~
After ground & Helling wood
- Sunday 11th Another fine day, has been
rainy for most of the month.
- 12th Fine day & we are burning large
Plant Bed On Mountain —
- 13th Finishing Plant Bed to day —
- A. Little cloudy weather moderated
- 14th Sewed Plant Bed this Morning &
Covered it & cutting wood for another
below the road on mountain —
- 15th Commenced burning small Plant
Bed On Mountain this Morning
Weather Moderate & cloudy to day.
Went yesterday to Mrs. Stant's Bay:
dams Cigale Coast & hope to carry
in dry for Melon to Jan. ³ I cannot
get the shingles my plow & a little
straw from Mrs. Stant's yesterday
Sewed small Plant Bed On Mountain
this ought in the rain, begin to rain
about night. —
- 16th Rained nearly all night cloudy
this morning dry air "slipping" down
at. New ground —
- X Helling in rainy day "slipping" down
- morning sun
- 11 Working Surveying Islands —
- 12 Sleeling most rainy weather
- 13 Went to see Capt. Chapman & he died
about 9 or 10 o'clock in morning
- 14 he was buried the day our hand
at work on Road mafias Kedgins
born on the 12th but just at night —

- 1846 Calendar 17th working at the Stone Mill
 Fenced in plant & seed or Mowulan
 this Morning Went to Cutting & Cleaning
 Out Stabley & the stable became
 = This day Hailed up Slack Oats & Hay
 18th Fair Cold Frosty day
 20th Another Fair cold day
 cutting in new ground & digging
 Poo. Lovelace has my wife gone to Mass
 19th Tolerable fair & cold cutting in new
 ground. Sodding around the house.
 20th Cutting in new ground between 108.
 11 O'clock it commencing snowy
 quite cold, Dreadful cold night
 just about Night it rained Hail off
 21 Snow Hail & about 4 inches depth
 severe Weather, striping houses.
 22. Fair & cold, striping houses,
 snow between 4 & 5 inches see on top
 we have 7 houses, lost 2 at stone plant
 23 Fair & weather tolerable, we are
 striping houses on Middle Barn
 trying to finish that house, this night.
 24th Fair cutting in new ground not
 quite done, weather moderating.
 25th Snow melting very much to day

Memo. of Middle Dist by Henry
 to Anthoni July 16 to 1843

Morn Comptum for Rolly 5 w	35

- 1846 July 26th. Finished cutting I expect to
day - Then striping tobacco
27. Begun to Mall a new ground
Phil & F.D. Henry gone to shop with
Lila & also Tomshong striping in the
Middle Barn.
28. 2 hands getting 5 lbs. bat. Ted
Malling also & Lila slackening wood.
Mr Meyer came here last night & sat in
this morning to set up tobacco 4 lbs.
My wife left W. at Mrs Hunt last night
Went to Port Sulphur
Beautiful weather about this day.
29. Weather moderate, cloudy - Halling
up gate lost hounds running macking
in new ground & laying wood.
30. Malling & Henry gone to me & got 74 lbs
4 lbs ready
31. Henry & Phil gone to shield to roll dog
Balance took down tobacco mostly over day
July 1st cloudy this morning & late for falling with
my gun to traps waiting Mr Meyer
Set up 2 lbs & gone home
17. Larks on Jan. last 5. - tobacco - 3
- 2^d Malling Halling up tobacco - 3
Henry Hall'd wood this day
3. Malling & Ing'd tobacco
- 4th & till fine weather said Lila
was flowing all this week. Dug
Malling in new ground &
Halled a black cat. This is day 3^d
11. Working surveying tobacco -
12. Sleeling most spotty wrecks
13. Went to see Capt. Cobman & he said
about 9 or 10 o'clock in morning
14. he was buried they day our hand
at work on road mopping Kielda's
Barn on the 12th but just at night -

- 1846 July 5 Commenced burning large
 Plant Bed On Branch below spring.
 Plowed Plant Bed this morning
 & fixing Plow for Sod. Patch
 Covered small Bed on mountain
 Heavy & Lila Plowing for corn
 Poring Sugs about the tree -
 Hailed up slack grain this day
 7th commenced Rainy last night snow'd
 the morn. snow'd some, this morning
 Hailing & snowing, some on sloping hill
 at New ground, - Weather not very cold
 19 Lamb's to this stage - turns very hard
 Johans Sugs I am told is silling well
 Lila Complaining & I Blod.
 8 A pleasurable good day. Went to Mr. McGe
 9 This morning very unexpectedly
 we see the ground covered with snow
 stripes when I finishing at New ground
 10 Making & Hailing more Sod.
 11 Making at new ground I heard Henry
 helping Mr. Myers Hailing more Lila
 Plowing fixed a place to burn Sod.
 Patch
 12 Henry Ted & Phil gone to Mr. Lewis
 to ride up Lila Plowing also digging holes
 made a lot of work but by Henry
 to Onatheria July 16 to 1843

- 1846.
- Feb 12 Mr. May finished setting up
H.C. This day he is pedling about
gates. Feb 13rd trying to get
13th done ^{any day} Plowing for corn & flows &
Commenc'd malling on branch worked
out till 11 O'clock then it began to snow
Rain &c very disagreeable evening
I went to Duluth shopping this day
15th two hours hanging with ice at
much snow on ground
16. Cold day. Went Sunday evening to
Mr. Long on my way to Est. Odell
on Branch side & also on new ground
17th 2 hands plowing malling on branch
- 18 Finishing this day malling on back
Lila plowing, also cutting old logs
on new ground. The camp on branch
Henry & Ed malling...
commencing snowing soon in noon
We went to sleeping Indians about
10 o'clock all hands snowed all
day & continues on in the night very
fast very rough weather
19. Last night a dreadful night. Rained
Thundered & lightened & froze. Trees hung
over with ice this morning. sleeping
Indians, broke off in the night & got up
& were then moderate
- 20 Clear & tolerable moderate weather
- 11 Working surveying Indians -
- 12 Sledding most of the week
- 13 Went to see Capt. Cobman & he died
about 9 or 10 o'clock in morning
- 14 he was buried this day our hand
at work on road malling. Chilled & sick
born on the 12th but just at night -

- 1846 March 21st Had made our wagon
Buckling, sewing Oats back Garden
22nd Sunday Very pretty day -
23 began to make Tobacco Hills on
Branch. I am doing up Bed in Garden
3 Glows Sewing Oats the Country
in new ground, from weather, tobacco
up in Mountain Plant Bed
24 Rainy & we are Stopping tobacco
25. This day finished Stopping tobacco 12
o'clock, & then plowing for corn &
tobacco. Lot. Helling on Branch.
& Phil to Miss Price - done plowing
up & preparing short tobacco took
all our short down early -
26 Sewing Oats Helling on Branch
& collecting new ground -
27. do the same sort of work
28. Went to Check Level myself doing
same sort of work since 17 or 18 Bus. Oct
29. Weather moderate. Went to Mrs. Hunt
Henry Miller & Miss Hunt's house Tom buying
hemp to do so by I think, -
30. Sewing Oats, collect new ground, -
Hilling on Branch on hill sides -
Weather moderate -
31st. Finished sewing Oats except some
not short. Shrubbery. Oats at Stony
point
- January 1st 1846 But off my wag
to Anadarko July 16th 1843

1846 March 1st Prayer making day at
Start Stone. In N. I did not go
out. The day hanging with clouds,
dry & cloudy a dreadful day real winter, In the
evening it commenced hailing & continues
on. As the night lost 3 Links, such a
continuation of cold freezing I never saw
in my life, wind blows from the East

MARCH 2 Monday Hail & the wind blew
hard all night, one of the most dangerous
nights I ever saw or felt. This morning
it stopped hailing & continued snowing
& the largest flakes of snow ever seen
by me, we are doing but little to
day. Rained & slogged Saturday Sunday &
the started Monday still snow & the
wind whistling. Dreadful York
Stock of energy. description 1846

Real Hail & snow storm, snow & hail
where it drifts two or 3 feet high weather
stop falling about 12 o'clock we have not
seen the sun for about 14 days & nights, very
hard & cold from N. E. winds getting
with clouds, not any thing done in our house

3rd March Weather cleared off & Hail
Snow melting smartly pretty morning
over hard under foot very bad —
making Baskets shelling. Corn sprouting
4 March still winter weather. Some
Baskets & then we are going to clean out
stable, going to move wheat & corn

- 11 Working & moving wheat —
- 12 Shelling most of the wrecks
- 13 Went to see Capt. Cushman & he died
about 9 or 10 o'clock in morning
- 14 he was buried the day our hand
at work on road making bridge & cul-
tive on the 12 but just at night —

- 1846 March 4th very pretty day over head
 Went this day with Mr. S. D. Hunt to
 see Mr. John Pitts Waggon which I bought
 of Mr. Hunt who takes the waggon from
 Pitts & let me have it complete for
 the sum of \$41.50. with this understanding
 I pay Principal & Interest when Committed
 to me he Mr. Hunt gives me several
 years to pay for it by paying at
 5th Beautiful day over head Phil carrying
 up logs for fire wood also taking
 hailing out manure on Potatoes field
 Had making 2 pr. Shoes for Lucy Ann
 Children this day.
- 6 Thrashing out Oats, Henry went after
 a load of wheat straw to Mrs. Hunt's.
 7. Went after Waggon to Pitts, calling up
 trees on Branch fire wood, very pretty
 weather over head snow melted very much,
 8. Snow nearly gone the second Sunday
 a beautiful day over head
- 9 Hailing Wood & Burning Log. Heavy starts
 1 Hh Lbs this day by Dr. Bruce, he finds
 himself & I paying him for my self 4th carriage
 75th for fodder & he gets 4 Bushels Corn in Lynd
 at Row which I have written to Dr. Smith to let
 him do wth his wood but by ^{Op 4 M 4/2}

- him no Boats have the money when
the day for hire for fodder 75- 3/5 till 11.
of which he has no back if he takes
another 1/4 which he thinks of doing
and no more also 4th Bacon & 2 Geese,
one Suckling pig to make
meal.
10. Very pretty Day Halling out wood
burning dogs made Rail bridge for Cart
to Halling wood & rails & making leaves
in new ground Henry Plowing -
my wife gone to Mrs. Hants
- 12th went to Mill Malling On Bracken
for corn & plowing for corn, & raking
Hilling bush in new ground
Very pretty weather about the time
planted Irish Potatoes patches to
expect to cover it with leaves
- 13 Rained nearly all morning & this evening
taking down our lobans that we have got
to strip, weather moderate,
- 14 Upsetting corn field fence Henry
Halling leaves to cover Irish Potato Patch
Very hard rain last night ground
Very wet. Snow hail all gone,
- 20th plowing for corn Ted making
Brickings Hill Halling wood shed
Pens & planted onions. Little snow
Oats, this week rolled logs on
Brake, & sent 2 hands to Mrs. Hants
to roll her logs - Plowed up one
square in garden -
- 21st Very pretty day Burnt & saved sallet
Beds alone Raking & Halling wood.
- 11 Rolling & covering lobans -
- 12 Sheeling most frosty night
- 13 Went to see Capt. Chapman & he said
about 9 or 10 o'clock in morning
- 14 he was buried they day our hand
at work on road melpas hill & hill
born on the 12th but just at night -

1841 Liby 21 Weather moderate snow
melted smartly stripping tobacco in
on the day tobacco ready to turn out.
22nd Weather moderate snowy morning
very wet & slopping my coat
about this time, the Birth Day
28 Saturday the past week we have made
our new ground fence go to miles
of all wood turn out one day after
tobacco. The weather very cold, yesterday
Friday we rolled out our ground
logs this day shearing com gone to
miles & cutting & pulling up log from
beyond timber patch.
Snowed last night about an inch deep
Thousands dead - stark - dead. This next day
balled up our w's to find with -
sold them to cedar a trader for
goods. for us. Yesterday it began
1st day March 1841. Yesterday it began
to rain we were mending sheep
making ready the this morning for day
1st day of March bread & coffee
was having on the day some snow on
ground. Fourth Sat: We are all on foot
lost nearly half of our lambs only 30.
14 Nov -

Journal of Dr. W. D. Dent by Henry

1st Day white wool bag do. 22.
1st Do. Black & white Do. Do. 13th

Morn Comptum for Rolly 5th 35th

W 1846 April 1st Plowing for Corn & Hogs
also Malpas began at 12 O'clock to till
in new ground they we have been tilling
Oats - Stocks Out of New ground.
Phil Halling Rails along Crop fence,
my self gone to see Capt. Chapman.

2nd began to Rile in New ground 3 hand
Lila for Henry plowing for Corn
Phil Halling Rails around Out side from
Toward orchard & also along Crop fence
base or garden plowed up Tomato Bed
Weather cloudy & very cool like for snow
or Rain. - Went over Chapman House & plow of
gear to to slow to day than also took him
a horse to go to Mill several times -

3rd A Beautiful morning Halling Colle in
new ground & plowing for Corn Henry
hunting Wild Hogs. - saved Butts ^{Postalsafy} yesterday
of 4 another pretty morning Halling in
new ground Henry saved glace Plets
Lila plowing on oats out bottom on
granary lot Phil gone to Shop with
Henry, Henry saw my my 11 wild hogs
this morning but they were quite mad
have not been up for 2 months &
saved Butts ^{Postalsafy} a day or two ago. Planted
Corn & Snap peas in garden. This day
5 another pretty day like for Rain ^{of Friday}

1st Very Witty Morning finishing saving
oats plowing for Corn returning on new ground
~~Postalsafy~~ ^{Postalsafy} ~~returning~~ ^{returning} -

- 11 Working successively gardens -
- 12 Sleeling most of the week
- 13 Went to see Capt. Chapman & he died
about 9 or 10 O'clock in evening
- 14 he was buried the day our hogs
at work on road Malpas killed & buried
born on the 12th last just at night -

1846 April 4th Planting Snap & Corn in Garden
Sewed Nap in Second Year Ground.
6 Sewed Pepper finished sowing out. Hd
Collaring to new ground also of Molasses
hilling Nap going to Mice & Shop all day
7. Plowing for Corn Collaring hilling
in new ground Nap gone to Mr. McLean's
after sweet potatoe Seed Corn all rotten
Mother very pretty, ground a little hard
Laid Jan Lame - 8th Our old hogs
Come up this Morning, (4 Oct 3rd)
8 this Morning raining, our Tobacco in
Order plowing shot Tobacco & packing
good & feel they day quite a cold one
Soon this morning March an elegant down
9th Blared off Corn, took all of our
Tobacco, nearly done plowing Lugged
Henry & Sella plowing for Corn, the
hilling manner on sweet & fresh tobacco
Patch, have been packing down good
fine Tobacco to day
10 Plowing for Corn collaring & hilling a
new ground, all of our old hogs up
11th This Morning & Yesterday warm & cloudy
rained a little elegant mother for every thing
work the same as yesterday, except in the evening
to fresh collaring lot at fodder stack
12th Raining this morning managed our
Plant Beds yesterday (see note to day)
wind & sp. wind sent by Henry
to Ontario July 16 to 1843

- May 3rd We went to S.S. On 4th to Mr. J. Nick
any down Lourdes funeral Preached by Dr.
Mr Hubbard & Mr McLaughlin. Weather fair
& good growing weather.
4. Collected on Branch, Helling in
new ground.
5. Collected on Branch with Mrs. Henry
& Andrew Coopers. Collected in both
second year ground above granary &
in second year land at mid ground.
6. Finished Helling new ground 12
O'clock to day & Collected on Branch &
1 in second year ground to Helling
above granary.
7. began. Yesterday at 12 Branch finishing
Collecting one way on way back to 12 today
Helling Out Manure to day.
8. Helling Out Manure Henry.
9. Collected & laying off second
year land balance Helling of it.
- An Elegant Rain this morning
set out our garden in grass before
the rain to day.
10. Finishing & putting mountain stone
beds & made a beginning to plant
tobacco this morning in new ground
the County in which, while he plan for a crop
like last year coming along at the \$4.50 to \$5.00
morning.
11. Working Helling tobacco.
12. Sleeling most spotty wrecks.
13. Went to see Capt. Chapman & he said
about 9 or 10 O'clock in morning
14. he was buried they day our hand
at work on road mafias Chedda Gue
born on the 12th just at night.

- 1846 May 9th Weather warm & fine about
 this time, Finished fencing about 12.
 Bushing wheat & oats -
 10th Showers this day obtained Coal in morning
 11th began to Replant the Row corn the day
 replanted all the side of the branch next
 to Shano House part of the side of branch
 all done corn nearly.
- 12 Hilling & Culturing on second ground
 13 done Culturing & plowing off second ground
 gone to Mill this morning to
 get Mr. & Neale's 2 Mugs of coffee
 This morning Mrs. Miles Whittle she has
 to clean her teeth -
 began to Crop Culturing on Branch -
 14 Finished hilling second ground
 - Plowing Corn - 15th Drawing Plants
 15 of Hastings Tobacco, this day on new ground
 Rausing & then Planting tobacco -
 16 Finished Planting new ground tobacco
 Thenning Corn this morning. Then going
 to Sibley Mill -
 17. Winding day at S. S. Mill a good day
18. Cloudy plowing corn & hilling corn
 hilling on Branch to my wagon steel
 to Sibley 20th myself Mrs Clements & the steel
 has now been sold out of hands for Sibley
 nothing 21st hilling on Branch

1846. 22. Waggons got Back & at Night a very
hard rain ended the Branch higher than I ever
saw it. 23rd Threw corn & barley down on
Branch 24. few growing winter, very late
25. Planting seeds yes ground below
also above growing on Branch & many
are in hills. We have except lots
of hills growing on Corn, & in every
Ridge lots for tobacco, 27 Planting below
on Branch Plowing on Corn
27 preparing lot for Hills for tobacco
& expect to plant it to day —
28 Rained hard yesterday evening so
we did not plant lots on Hill but
planted it this evening & also planted
water melons and —
29 Began to weed Corn 28th in evening
these day come another very hard rain
too wet to do any thing
but eat Corn worth \$5 per bushel
30th Cloud but little this day and cool like
31st Rained again very wet time indeed
sun, & heated 5 h^{rs}. Rained in evening
2^d Did not rain to day Plowing half
the day & planted tobacco —
3rd Plowing & weeding Corn went to barn
4th 5th 6th Spent day plowing. Plowing corn on
time. Plowed & worked grass 14th to day
most mostly up too much here to day
got warm growing weather no rain seen
morning late, sun —
11 Working weeding tobacco —
12 Sleeling most spotty week
13 Went to see Capt. Chapman & he said
about 9th or 10th o'clock in morning
14 he was buried they day our hand
at work on road mafias Kedda Gud
born on the 12th just at night —

- 1841 June 5th Weeding Corn in Big field, cloudy
Started in evening -
6th Flowering & weeding Corn this morning
Bedding lot by granary & went to plant
it to Flax - Planted a bed but the wind
had hauled them over to corn field & the
greatest I ever had on my life -
Red Gopher had a calf last night.
7th Rained in evening a little - Big field
8th Flowering & weeding Corn next to mine -
9th This morning raining & rained nearly
all night, raining dash all day & work
done about at all quite cool -
10th Still raining & cool, cloudy
but little replacing to birds etc
11th Rainy. Spelt sown and spelt out
Never was known such dry day
quite cool -
12th Rainy & every day this week sum-
mond early no work done, in corn
field of Conestogia turned a little stone
down - second yr down & lot -
Never was known so wet a spring &
summer by the oldest among us, all
May & up to this time, great deal of
Corn drowned - 10 o'clock, Raining very
hard some wind & cool, ground in a complete
float of water - 12 o'clock. Low water fresh
water - compound to -
wind & sp. water sent by telegraph
to Ontario July 16 to 1843

- 13rd Sun 13th Rained all night Branch high
Two or three long yesterday first night Spring
Hornet King & a string Basket - see in House
Wind has been W.E. all this week - quite cool
14th Rained again last night very hard it
We have done no work since last Monday
many a muk - still cloudy W.E. yet
14 Cloudy last round very hard in the
evening of this day it cleared off
15th This morning cloudy & foggy &
We are about to commence plowing
laying by our corn. That's cleared
16 Raining last night. & again they
evening stop us work I now
see about a corn field in my lot
of not much more than 1/4 acre
17th Cutting Mountain feed wheat to day
18 Rained this evening & laying by corn
on evening & Monday
19 Cutting wheat this morning in same
place found - had 3 calves lost while
was plowing & weeding corn finished plowing
Big field this evening before it rain
20th Rained last evening ground too wet
to plow we are doing best little
at 12 o'clock laying by corn & finished
this evening mostly big feed
21st & 22nd Day & cold. Waiting at 3 & In
the 22nd laying by finishing the side branch
below Corners plow out corner left
morning the 23rd
11 Working weeding & tilling -
12 Sledding most of the week
13 Went to see Capt. Chapman & he died
about 9th or 10th o'clock in morning
14 he was buried the day our hand
at work on road mafas Kedgins
born on the 12th just at night -

1846 June 23 this morning quite dry
- my Plow of 8 furrows break ground
almost ruined with grass & mud & old
Weather gentle cool east wind - rain had
was last Friday - - except Wednesday
Mud sent to mill - cloudy to night &
weather a little warmer

June 24 to plowing & weeding corn
Cut late wheat at 12 o'clock -
